## President's Report

### Interest Arbitration Update

The interest arbitration board that will set the terms of our new National Agreement is continuing to meet, despite having to reschedule several hearing dates due to Hurricane Sandy. In the latest *NALC Bulletin* it was reported that both parties are submitting exhibits and written testimony, and that the NALC expects that an award decision will be made sometime in January.

### TE/PTF Memo

On October 9, 2012 the NALC and the USPS signed a memorandum of understanding regarding Transitional Employees and Part Time Flexible employees. The memorandum in part would allow for the conversion of 6,000 PTF's to full time status and allow the USPS to hire an additional 3,400 transitional employees. Conversions to full-time regular and the filling of residual vacancies should be made as soon as practicable and completed within 90 days of this agreement. This would allow for the hiring of TE's in the units and installations who are currently understaffed. For your convenience the memo is being reprinted in its entirety in this month's *Speaks*.

### Bowlathon for MDA

Everybody is invited to come and participate in this year's bowling fundraiser for MDA. The event will be held on Sunday, January 13<sup>th</sup> at 12:00 Noon. Check in begins at 11:30 am at SKORE Lanes 22255 Ecorse Road, in Taylor right around the corner from the Union office. This year we will be in friendly competition with Branch 1 with the winner receiving a trophy from MDA. All you have to do is raise \$50 to enter. Pledge forms and sign-up sheets are available from your Stewards or here at the Branch office. For each additional family member wishing to bowl the cost is \$15. The event consists of three games of 9 Pin No-Tap

### Address Correction Requested

When you move, change your name, leave the letter carrier craft, retire, or your phone number changes, we need to hear from you. Your member benefits, newsletter and other mailings may be affected if we don't have the new information. It only takes a phone call or drop us a note. We will do the rest.

**Call 313-295-1640**

(Continued from page 1)

Bowling. Each participant will get free pizza and soda as well as free shoe rental. For more information regarding this worthy event see the enclosed flyer for details. Hope to see you there to help "Deliver the Cure".

### Fred Herman Award

At this month's Branch meeting we had a special guest; our State President Dan Florkowski stopped by to make a special presentation. Dearborn Annex Steward and Step A Designee Jackie Wiggins received the runner up award from the Michigan State Association for Steward of the Year. Jackie has done an outstanding job representing the carriers in her building while also taking the time to help out and make herself available to any carrier who called and asked for help or advice. She has put in many hours both on and off the clock to make sure that the letter carriers in Dearborn are well represented. Besides her representational duties Jackie also serves the Branch by being on the Detroit District JCEAP Committee, Dearborn Safety Committee, and as one of our Food Drive Coordinators in Dearborn. We here at the Branch are very proud that she was selected for this honor, and appreciate her hard work on behalf of the carriers we represent. Congratulations and keep up the good work!

### Happy Holidays!

With the year winding down and coming to an end I would like to thank you for all your hard work this past year. It has been a year of constant challenges both contractually and politically, but together we have met every challenge. I cannot predict what we will face in the future, but I do know this: if we remain committed to our cause, no challenge or obstacle can stand in our way!

I wish you and your families a Merry Christmas and a healthy and prosperous New Year!

-- *Mark Judd*  
President

## EVP's Report

As this article is being written, approximately 10,000 people are protesting in Lansing due to the Right to Work legislation and its pending approval by the House and Governor. While this bill does not directly affect Letter Carriers, it is an attack on union's and the labor movement.

Even though the Post Office is an open shop, our Branch is approximately 95% organized. Meaning, approximately 95% of the Letter Carriers working within the installations of our Branch, recognize the importance of the union. They identify the fact that our union is responsible for the wages and benefits we receive; that the union is not just here for "the trouble makers", as I have heard some people infer, especially on the radio during discussions about the pending state legislation.

It is my hope that the employees within the businesses affected by this legislation will see the benefits of their union and retain their membership within it. Happy Holidays to all, and a Safe and Happy New Year too.

In Solidarity,  
-- *Jim Wolstencroft*  
Executive Vice President

Dearborn Annex Steward and Step A Designee Jackie Wiggins received the runner up award from the Michigan State Association for Steward of the Year.

## VP's Report

The election is now over and we have re-elected a "Letter Carrier Friendly" President for the next four years. For all of those carriers who contributed in any capacity in the 2012 elections, I would like to personally thank you for your efforts.

Your COLCPE dollars were hard at work this election season and those dollars will continue to be hard at work in 2013. We still have much more work ahead of us. Stay involved in your union. Know what's going on with your job. For assistance in signing up for COLCPE, please call the local union office at (313) 295-1640. A Branch Officer can assist you in signing up.

The time to be entered into the 2012 National "GIMME 5" COLCPE contest has come to an end. As soon as the National office updates the December 2012 standings for all branches nationwide, Branch 2184 will inform the members of the winner(s) of the COLCPE contest for our branch size category.

On another note, I would like to take the time to congratulate Mike Chevillot, out of the Westland Post Office for his lead that turned into a 1 MILLION DOLLAR sale for the Postal Service. Great job Mike! Keep up the good work! With the holiday season in full swing, our competitors are delivering packages that we could be delivering. Keep your eyes open for Customer Connect opportunities. Any business we take from UPS, Fed-Ex, or any other courier is more revenue for our employer, which equals job security for us letter carriers.

Finally, I would like to thank all our stewards, officers, and union activists for all of your hard work and dedication in 2012. We overcame many obstacles together! 2013 will be even better for Letter Carriers!

Merry Christmas and a Happy New Year to branch 2184 members and to your loved ones!

-- *Walt McGregory*  
*COLCPE Coordinator*

# Brookfield<sup>®</sup> Uniforms

Serving the Postal Industry for Over 40 Years

### **Support the Company that Supports Letter Carriers**

- Brookfield replaces uniforms lost due to fire and natural disasters!
- Brookfield, along with State and Local NALC Branches, has raised over \$500,000 for COLCPE.
- Brookfield provides assistance for Conventions, Seminars, and Charity fund raising events!

### **Contact Your Brookfield Representative!**

**Robert Kreager**

Branch 2184 Retired

## One Battle Over!

Thanks to everyone for getting involved in this past election, taking time to make a difference. Great job! But don't be distracted by this victory. There are more battles looming on the horizon. In addition to Postal Service budget problems, we have the Republicans trying to launch new attacks against us and the rest of America's working class, such as attacks on Medicare and Social Security. Instead of raising taxes on the wealthiest citizens, they would take away from everyone else.

I would like to thank letter carriers Dawn Hickman and Paula Hall from Lincoln Park for their help with MDA Satchel Day, which was a huge success for our Branch. I would also like to thank Lincoln Park carriers Barbara Scaggs, Cora Massey, Dave Reise, Judy Kahl, Laura Fitzgerald as well as Dawn and Paula again. They did a fantastic job helping out with the phone banks to spread the word of the importance of this past election. Finally, I'd like to thank the NALC for selecting me to serve on the election detail. It truly was a great experience, even working with Patty. Let's continue to stand together and make a difference by making our voices heard. I wish all of you and your families a Merry Christmas and a Happy New Year!

-- *Scott Watts*

*Steward, Lincoln Park*

### The Weingarten Declaration

"If the discussion I am being asked to enter could in any way lead to my discipline or termination or impact my personal working conditions, I ask that a union steward, representative or officer be present. Unless I have representation I respectfully choose not to participate in this discussion."

Keep in mind if you do not **REQUEST UNION REPRESENTATION**, then you are considered to have waived this valuable right.

## Thank You

Dear NALC Branch 2184 members,

I would like to take this opportunity to thank you for this extraordinary award. With tuition costs on the rise and the economy being in such a dreadful state, it is extremely difficult to amass the money necessary to pay tuition, book costs and transportation. Having lost my Michigan Merit Exam scholarships due to the economic downfall of the state and having not qualified for FAFSA for the past year all tuition cost I have paid is out of pocket. So, with that being said, this scholarship you have awarded me is a financial relief and I thank you, wholeheartedly. Adding to the fact that I have never won anything before it was extremely exciting to open your letter and read that I had won the NALC scholarship. With higher education almost a necessity to make a decent living in today's market I again, sincerely and deeply, thank you for making my educational journey a little easier in achieving.

Sincerely,

Erica Schaeffer

2012 NALC Branch 2184 Scholarship winner and daughter of NALC member Laura Schaeffer

Dear Members of Branch 2184,

Thank you very much for awarding me the higher education scholarship of Branch 2184 this year. It means so much to know I have this support and encouragement from you. I shall endeavor to use it wisely as I continue my studies towards a degree in Geological Sciences at Western Michigan University. Once again, you have my deepest gratitude for honoring me with this Branch award.

Sincerely,

Raymond Powell

(Son of Dearborn Heights retiree James Powell)

**MEMORANDUM OF UNDERSTANDING  
BETWEEN THE  
UNITED STATES POSTAL SERVICE  
AND THE  
NATIONAL ASSOCIATION OF LETTER CARRIERS**

**Re: Transitional Employees/Part-time Flexible Conversions**

The parties mutually agree that Article 12 of the National Agreement creates a requirement to withhold sufficient residual vacancies in order to minimize dislocation and inconvenience of excess employees. However, that obligation is limited to the number of residual vacancies necessary to accommodate any planned excessing events.

The parties recognize that certain locations may be withholding residual vacancies for excessing events that have been completed, and that other residual positions that are not being withheld remain vacant. Additionally, Postal Service systems may list residual vacancies that are no longer vacant or do not exist

The parties also understand that with the changing mail mix, an opportunity for growth ties in time sensitive, cost competitive product markets that include ecommerce transactions which could require flexible delivery windows.

Accordingly, we agree to the following:

1. The Postal Service will fill the approximately 1,265 residual vacant Carrier Technician (CC-02) positions provided such positions still exist and remain vacant. Positions will be filled through either a) assignment of unassigned full-time regular or full-time flexible city letter carriers in the installation pursuant to Article 41.1.A.7 of the National Agreement; or b) conversion and assignment of part-time flexible city letter carriers in the installation. In the event there is an insufficient number of unassigned regular, full-time flexible, or part-time flexible city letter carriers to fill the positions, and there are no qualified transfer requests to the installation, transitional employees may be assigned to fill the positions until career employees become available.
2. The Postal Service agrees to fill 1,400 residual vacant full-time City Letter Carrier (CC-01) positions by conversion and assignment of part-time flexible city letter carriers within their installation.
3. The National Association of Letter Carriers (NALC) agrees that the Postal Service may employ up to 3,400 transitional employees in addition to those authorized under Article 7.1 of the National Agreement and the Memorandum of Understanding, Re: *Transitional Employees (Flat Sequencing System)*. Management will determine when and where to employ these additional transitional employees and will share that information with NALC consistent with paragraph 6 below. Transitional employees hired under this Memorandum will be so designated by assignment of a unique occupational code. All transitional employee provisions will apply to transitional employees hired under this agreement, including the requirement that the Postal Service provide the NALC with a report every other pay period that indicates the number of transitional employees on the rolls.

4. For every transitional employee hired pursuant to paragraph 3 above, the Postal Service will convert a part-time flexible city letter carrier to full-time regular status within their installation. These conversions (a maximum of 3,400) are in addition to those required by paragraphs 1 and 2 above. While the Postal Service will determine where these additional conversions will be made, residual vacant full-time city letter carrier (CC-01) positions that remain after conversions pursuant to paragraph 2 above, will be filled as part of the conversions under this paragraph, provided there is a part-time flexible city carrier available in the installation. The Postal Service will share information regarding conversions with the NALC consistent with paragraph 6 below. Reemploying a transitional employee after a break in service or hiring a transitional employee to replace a transitional employee does not require an additional conversion of a part-time flexible city letter carrier to full-time status.
5. The parties will establish a joint work group at the national level to discuss and attempt to resolve issues concerning vacant residual positions, the continued need to withhold positions, and the process for recording residual vacancies in Postal Service systems. The joint work group will meet within 30 days of the date of this agreement and will function for a 12-month period, unless extended by mutual agreement of the parties.
6. Conversions to full-time regular and filling residual vacancies pursuant to paragraphs 1 and 2 above will be made as soon as practicable and will be completed within 90 days of this agreement. Conversions to full-time regular pursuant to paragraph 4 will be completed within two pay periods of the transitional employees hire date. Prior to converting part-time flexible employees to full-time regular, filling residual vacancies, and employing additional transitional employees, the Postal Service will meet and discuss with the NALC at the national level the placement of the additional transitional employees and the locations of part-time flexible conversions and residual vacancies filled.
7. This agreement is effective from the date of signature. The Postal Service may maintain the additional transitional employees authorized under paragraph 3 above for a period of one year from the date of appointment, unless extended by mutual agreement of the parties, or this agreement is modified by the terms of a new collective bargaining agreement.

This agreement is reached without prejudice to either party's position in this or any other matter and, other than for the purpose of enforcing its terms, may not be cited in any other proceeding or forum, including interest arbitration.

This agreement is not intended to settle pending grievances on the conversion and placement of parttime flexible employees in City Letter Carrier (CC-01) residual vacancies. Any pending grievances regarding the conversion to CC-02 positions in paragraph I of this MOU are considered closed.

**“YOU HAVE NOT LIVED TODAY UNTIL YOU HAVE DONE SOMETHING FOR SOMEONE WHO CAN NEVER REPAY YOU.”** -John Bunyan

Again this year, the membership has voted to adopt two families through the Volunteers of America program. Each family will receive a \$300 gift certificate to Meijer's. The reason we give a gift certificate instead of buying gifts is to allow the parent(s) the joy of shopping for their family and to allow them to be "Santa" for their children.

Through Volunteers of America, when adopting a family you have an opportunity to choose a family for adoption. Families in need complete an application form; provide proof of income, and proof of children living in the home. The parent(s) then have the opportunity to write their story and a wish list of items. Donors then have an opportunity to select a family they wish to adopt. Here is some information about the families we adopted this year:

Family 1 writes: *"I am a single mother of three small children I work full-time to support my children but all my money goes to bills and I have nothing left over to buy my children anything for Christmas. I had to scrape up what small amount of money I had to get a new car to get myself to work and my children where they need to go and since then my car has done nothing but break down and I have to put any money I have into it. We are currently living paycheck to paycheck. I would really like my children to have a Christmas they deserve it."*

Family 2 writes: *"In September I lost my job and our family became a one-income household. My mother passed away in August and I took a leave of absence and one week after I returned to work I was let go. My husband and I have been diligently working with our mortgage company to stay on top of our housing situation. At this time however my husband's income is not enough to cover all of our expenses. I have been actively searching for employment but without success. All*

*of our children are Honor students. They participate in various activities in school. They are tutors, mentors, athletes, members of DECA and the National Honor Society. We have a son that has earned scholarships so that he can attend college. My husband and I are trying to raise positive and productive citizens. However we are falling short financially. I do understand that there is an enormous need for help but any help will do. If there is anything that can be done to assist us this year we will greatly appreciate it. Thank you for all that you do to help those in need."*

Cindy Trzeciak, Former Branch Secretary Treasure, started our participation in this program several years ago. Cindy is very passionate about this program, and before she left she asked me to make sure the Branch continues their involvement in this program. It has been a special honor and privilege in keeping that promise. We even decided at my office, Trenton, to adopt a family of our own; thank you to everyone for their generosity in participating. There still could be time for some of you to adopt a family this year. If interested check the Volunteers of America website; [www.voam.org](http://www.voam.org) or call (248) 353-4862.

Everyone have a safe and Happy Holiday season,

-- Casey Pennington  
Recording Secretary
