Welcome to LiteBlue
The next generation in employee communications

LiteBlue is here to help you to communicate faster and stay connected. It's packed with the information you want about career development, revenue and service performance, products, recognition — you name it. There's even a place where you can give us feedback. You also have secure access to PostalEASE through LiteBlue to check, and during open season, change your benefits selections.

Check back often, because LiteBlue will continue to evolve — to transform — and deliver results that serve you better. It's the postal way!

Here's how you log on:
You'll need your Employee ID and USPS PIN to log on to LiteBlue.

- Your Employee ID is easy to find — just look at the top of your earnings statement. It's the 8-digit number printed just above the words "Employee ID."

- Your USPS PIN number is the same one you use to access PostalEASE. If you've forgotten it, **click here** to reset your USPS PIN number.

Need Help?

For technical assistance if you encounter a problem within the app, contact the IT Help Desk at 1-800-USPS-HELP.

For questions concerning eOPF, contact the HR Shared Service Center.

What is eOPF?

eOPF is the application that electronically provides USPS employees access to information contained in their Official Personnel Folder using a non-postal computer. You can:

- View and sort contents within your eOPF.
- Produce an authenticated eOPF printout watermarked to establish a copy as an official document.
- Print your entire OPF, a selected date range or individual document.

Before getting started, for more information about eOPF read the eOPF FAQs.

Who Can Use eOPF?

USPS employees can access their personnel folder by logging into the eOPF app through the *LiteBlue* website using a non-postal computer equipped with Adobe 7.0 or higher.

What You Need to Get Started

You will need a personal computer to access your eOPF through *LiteBlue.* eOPF is not accessible through the USPS *Blue* network (blue.usps.gov) which means you must use a non-postal computer outside of the USPS network. If you are unable to open your eOPF file from *LiteBlue* or you receive a message indicating your eOPF was not found, contact your District HR Local Services for assistance. Make sure you have all your documentation in order so you can review your federal and military service and check if it is correct and all forms are updated. Important forms to review:

- DD Form 214
- PS Form 50
- SF Form 50
- RTR Employee Detail Report

You will need your 8-digit Employee Identification Number (EIN) and USPS Personal Identification Number (PIN) to log into eOPF.

Browser and Software Compatibility

eOPF is compatible with Internet Explorer V6.0 / v7.0. eOPF requires Adobe 7.0 or higher. Firefox and Chrome are not currently supported.

Welcome to eOPF Employee Self Service

Welcome to eOPF Employee Self Service. You may view and print documents in your electronic Official Personnel Folder. You will need your Employee Identification Number and your USPS Personal Identification Number (PIN) to access this system. If you've forgotten your PIN, dial 877-477-3273. Follow the steps and your USPS PIN number will be mailed to your address of record.
